

BECKMAN BOY'S LACROSSE

2011-2012

Parents/Players

Beckman Lacrosse is looking forward to another great year of competition. Coach Seth Mahler has been named the Head Varsity Coach. Coach Mahler comes to us with a history of lacrosse playing and coaching that will provide our program with leadership and expertise. The program will also see the return of Coach Dan Fong and Coach James Knoska. Boy's lacrosse is fortunate to have this qualified team of coaches.

The Beckman Boys Lacrosse Booster Club is the primary source of funding for the Lacrosse Program. With the ongoing financial constraints of the school district, we make it possible for the lacrosse program to continue to compete and grow. The funds that are collected pay for equipment, uniforms, off-season conditioning/weight room use, coaching stipends, end of the season player banquet, Senior recognition activities, and much more.

For the 2011-2012 Lacrosse Season the Beckman Boys Lacrosse Booster club is requesting the following commitment contribution:

\$500 per player (Varsity and Jr. Varsity) Each player will receive

- 1 dry weave game day shirt (worn under the uniform jersey)
- 2 pairs of game day socks
- 1 practice reversible (new design this year)
- 1 practice set of shirt and shorts
- Banquet admission

We would like to ask for this by the Parent Meeting on January 10, 2012
